PRODUCT CATALOGUE

ABOUT US

AMT METALS OPENED ITS DOORS IN 2005, WITH A VISION OF CREATING DISTINCT ALUMINIUM COOKWARE PRODUCTS FOR SOUTH AFRICA.

THE COMPANY WAS FOUNDED BY ANTONY SAM IN A SMALL GARAGE SPACE WITH THREE SPINNING LATHES. TODAY IT HAS GROWN INTO A MANUFACTURING UNIT EQUIPPED WITH STATE-OF-THE-ART, DEEP DRAW PRESSES AND ROLLING MILLS.

PRODUCTION PROCESS

CUTTING-EDGE TECHNOLOGIES

WHEN IT COMES TO GREAT PRODUCTS, EFFICIENT TOOLS AND EQUIPMENT MATTER. THAT'S WHY WE USE STATE OF THE ART, DEEP DRAWING PRESSES THAT EXERT IN EXCESS OF 300 T PRESSURE TO CREATE THE AMT SIGNATURE PRODUCTS.

FIRST-RATE MATERIALS

AS PART OF OUR RIGOROUS MANUFACTURING PROCESS, WE MAKE SURE THAT EACH PRODUCT IS FLAWLESS BEFORE IT REACHES OUR CONSUMER.

HANDS ON

WE BELIEVE, MAINTAINING A BALANCE BETWEEN MAN AND MACHINE IS ESSENTIAL. THAT'S WHY AMT SIGNATURE PRODUCTS UNDERGO FINISHING TOUCHES BY SKILLED LATHE OPERATORS.
